August	July 1	June 1

### Homestay Deadlines for Customized Programs

We encourage institutions to send their participants' homestay applications 12 weeks prior to the program start date.

### Important Note:

Please note that students are placed in UVic Homestay on a first come first served basis as completed applications are received by our office. Homestay is limited and spaces may fill before the deadline. In cases where UVic Homestay cannot accommodate students, students will need to arrange their own homestay privately.
